

IMPORTANT INFORMATION FOR OUR PATIENTS & VISITORS

EXERCISE: **SOLID CURTAIN/CITADEL SHIELD (A Nationwide Navy Force Protection Exercise)**

On Thursday, 22 March 2012:

- Please plan to arrive at least **ONE HOUR** prior to your normal check in time.
- There will be additional traffic on all approach roads in the vicinity of medical center after 1200 noon.
- Patients should anticipate more than normal traffic congestion and potential delays on Wisconsin Ave and additional delays at the gates due to mandatory security measures for vehicles and pedestrians.
- If you are planning to come for a routine visit such as picking up a prescription or to provide a follow-up lab sample, it is recommended you come earlier in the week.

On Friday, 23 March 2012:

- Patient services will be limited to emergencies, Wounded Warrior support services, inpatient care services, and specific scheduled follow-up appointments such as radiation therapy, chemo-therapy, dialysis, refractive surgery, etc.,
- No routine care or routine medical services will be available on this day. There will be **NO** refill prescriptions and **NO** routine labs available on this day.

If you have specific questions, please contact: 301-295-0156.
